Spring

Year

Type a short paragraph describing your proposed thesis project:

Type a short paragraph describing the courses and research you have already completed that prepared you to undertake this project:

Student Signature (type your name and email the form to your adviser)
Save the file as LastName_FirstName_Honors_Thesis

Date

Every project must have a thesis adviser who is a continuing faculty member at Ithaca College.

The Honors thesis adviser will

- 1) approve the thesis proposal after consulting with the student about defining the project
- 2) meet regularly with the student to advise on completing the project
- 3) approve the completed project

I agree to serve as this student's honors thesis adviser:

Thesis adviser's department

Date

Adviser's Signature (type your name and email the form to honorsadvising@ithaca.edu)
